

GO TO THE MAIN EVENT

From elegant social events to corporate gatherings and nonprofit galas, you and your guests will appreciate the uncompromising attention to detail and extraordinary personal service that defines Gotham Hall events. Whether a grand celebration or an intimate gathering, our event planners will work with you to ensure your occasion is distinctive and remarkable. From planning and coordinating to execution, we will work with you to customize all aspects of your event.

Because we only host one event at a time, you can rest assured knowing that your event will be intimate, secure, private, and that your event will run smoothly from start to finish. You can rely on our efficient management team and our exclusively recommended vendors to customize an event that will satisfy even the most discerning tastes.

Upon arrival, you will be greeted by an architectural masterpiece, landmarked by New York City. Our circa-1924 venue is certain to make a lasting impression. As you pass through our filigree brass doors and step onto the inlaid marble floor, you will be awestruck by your surroundings.

ARCHITECTURAL masterpiece

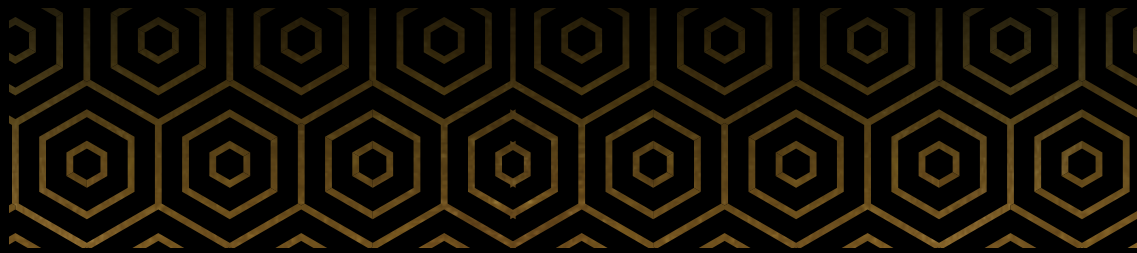

BUILT FOR *royalty*

Imagine your special occasion in such an extraordinary setting. Visualize sipping champagne on our mezzanine as you overlook our spectacular ballroom, or socialize in the lounge for a more intimate cocktail setting. If the need arises, we can host your simultaneous smaller gatherings in one of two oak paneled rooms, complete with fireplaces and private restrooms.

Explore the magnificence of our gilded Grand Ballroom. As you enter the heart of Gotham Hall, be prepared to enter a room built for royalty. You will be captivated by the remarkable presence this room commands as you immerse yourself in every lavish detail.

MIRACULOUS & regal

GRAND BALLROOM

Your eyes will be instantly drawn upward to the miraculous gilded ceiling centered above the inlaid marble floor. In the center of the unique gold-leaf honeycombed design sits a one-of-a-kind 3,000-square-foot stained-glass ceiling. Regal granite walls and solid limestone Corinthian columns adorn each end of Gotham Hall, accentuating the grandeur of the architecture. Whether a family celebration, corporate trade exhibit, or product launch, the intimate oval shape naturally lends itself to movement of guests, and the symmetry of the room accommodates any event.

LOUNGE

Adjacent to the ballroom, the lounge is ideal for a cocktail reception, registration area, press/green room, or as a kids' entertainment room accompanying bar and bat mitzvahs. The lounge features a hand-carved, richly painted ceiling and white marble wainscoting. Ceiling-height brass pocket doors separate the lounge from the Grand Ballroom so guests can seamlessly move between the two spaces. A built-in bar adds versatility and function while contributing to the elegance of your event.

ELEGANT & versatile

WARM & inviting

OAK ROOM

Featuring oak-paneled walls, hand-cut dentil molding, and a soapstone fireplace, the Oak Room creates a warm and inviting ambience for your next social, corporate, or nonprofit event. Hand-forged wrought-iron window grates on leaded glass window panes overlook New York's most famous street, Broadway. Distinguished and stately, the Oak Room provides the optimal setting for a smaller, simultaneous function. The Oak Room, appointed with a private restroom, is a perfect bridal suite or VIP green room.

CELLAR

Additional office space in the cellar, adjacent to the original vault, provides a variety of green rooms, dressing rooms, and storage space, as well as a separate vendor meal location, which is perfect for larger scale productions.

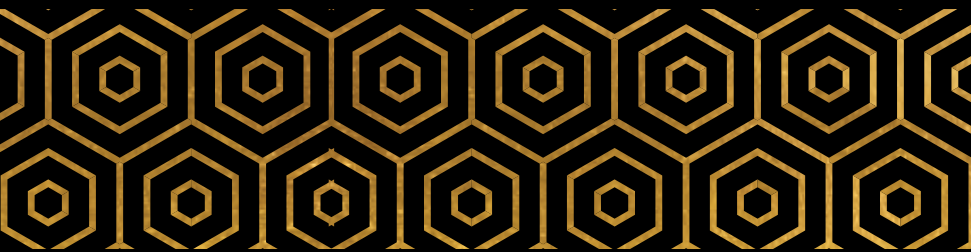

expansive & MAJESTIC

MEZZANINE

Overlooking our stunning Grand Ballroom, the mezzanine will give you and your guests spectacular views of the opulent architectural details that are Gotham Hall. Expansive and majestic, the mezzanine features floor-to-ceiling Corinthian columns, a gilded honeycombed ceiling, and two-story arched windows, and provides the perfect setting for a VIP reception, elegant cocktail party, or business luncheon.

A RICH history

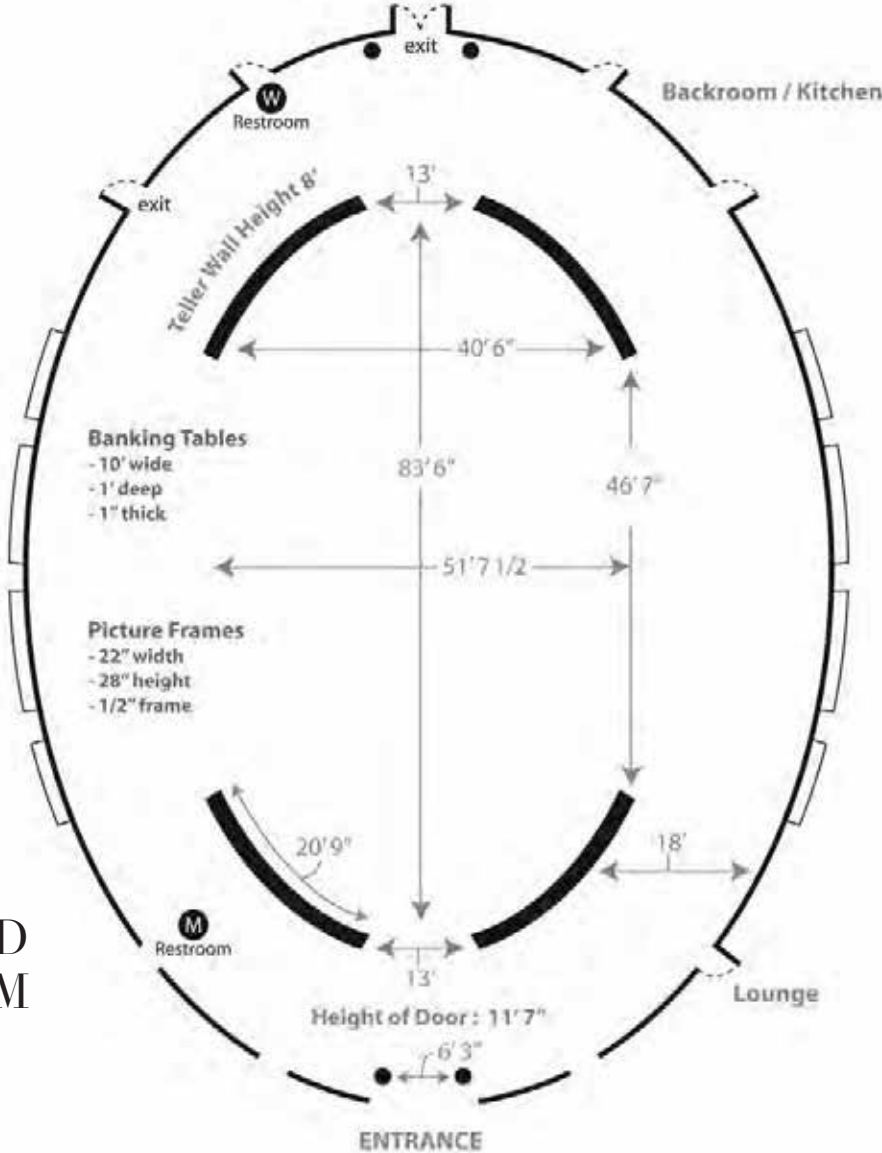

OUR HISTORY

Originally constructed between 1922 and 1924 as The Greenwich Savings Bank, the building currently known and admired as Gotham Hall was built to serve as the bank's headquarters with a prominent Midtown address. Featuring an architectural design by York and Sawyer, the intersection of 36th Street and Broadway was met with one of the most impressive spaces Manhattan has ever seen. The interior boasts Corinthian columns, granite walls, marble flooring, inscriptions, and antique attributes that symbolize wisdom and commerce, and a domed ceiling with a 3,000-square-foot stained-glass skylight. Surviving decades and generations in American history, by 2002, this historical landmark transitioned into the most prestigious place to host a sophisticated affair.
